SHABBAT: LIGHTS

Shabbat: Redirecting Lighting Fixture

You may redirect a light fixture on *Shabbat*, but only by moving it with a stick or other object (a *shinu'i*), not directly with your hand.

NOTE You may not turn the light on or off and you may not disconnect the light during *Shabbat*.

Shabbat: Moving Lighting Fixture

You may slide a lamp or other light fixture to where you need the light if it is not practical to move closer to the light, but not by using your hand directly (you must use a *shinu'i* such as a stick or other object).

- You may not plug in the cord or remove the plug from the wall.
- You may not turn the light on or off.
