

TALIT KATAN: BLESSINGS

Talit Katan: Blessings: Shema if You Wake Up Early

SITUATION You wake up early and want to say shema (in case you return to sleep and might miss the latest time to say morning shema).

WHAT TO DO

- You need to wear only a talit katan (not a talit gadol).
- Say the blessing al mitzvat tzitzit, even if you normally would later put on a talit gadol and therefore would not normally say that blessing over a talit katan.

Talit Katan: Blessings: Shabbat or Jewish Festival Talit Katan

SITUATION You switch to a special talit katan right before Shabbat and Jewish festivals.

WHAT TO DO You do not need to say another blessing over the special talit katan if to switch:

- Is your normal intention (even if you did not specifically intend to switch when you put on your talit katan that morning), or
- Is NOT your normal intention but you did intend to switch later that afternoon.

You must say another blessing if to switch:

- Is not your normal intention and you also did not intend to switch when you put on the talit katan that morning.
