TEFILAT HADERECH: HOW OFTEN

TEFILAT HADERECH: HOW OFTEN: ONCE A DAY/ONCE A TRIP

Tefilat HaDerech: How Often: Once a Day/Once a Trip: Vehicles

When riding in a vehicle on a trip, you should say *tefilat ha'derech* once each day, as long as:

- You have gone--or will go--at least 2.8 miles past any populated area, and
- You will be breaking your trip at night.

NOTE If you will be living in an RV or other vehicle, only say *tefilat ha'derech* once for the entire trip.

Tefilat HaDerech: How Often: Once a Day/Once a Trip: Boats

If you take a multi-day boat trip, such as a cruise, say *tefilat ha'derech* only once during the journey—not each day.

NOTE Any time you stay overnight (on land) along the journey, say *tefilat ha'derech* again when you resume your travel.
