## WHEN SHABBAT STARTS: WITHIN SHABBAT DOMAIN

## Starting Shabbat within Shabbat Domain/Techum Shabbat

If an entire community starts Shabbat early, individuals must also start early.

NOTE If any part of the community starts on time, you may also do so.

## Starting Shabbat outside Shabbat Domain/Techum Shabbat

If you are outside <u>techum Shabbat</u> (which may be as little as 0.7 miles, or 1 km, past the last house of an inhabited area—city, village, etc.), you may start <u>Shabbat</u> at sunset even if the nearby community starts early, as long as the <u>rabbi</u> from that community does not have authority over your area.
