

# WOMEN: STUDY

## WHAT TO TEACH GIRLS

### What To Teach Girls

Girls should be taught all halachot relevant to girls and women, including blessings, and should be taught whatever will increase their awe of Hashem (yir'at shamayim).

## WOMEN: TORAH SCROLL

### Women Reading from Torah Scroll

Women may read from the Torah scroll when no men are around. They may say only the first blessing over the Torah and only if they forgot to say that blessing in the morning. They may not say the second blessing.

### Women Dancing with Torah Scroll

Women should not dance with a Torah scroll.

## WOMEN: WHAT TO STUDY

### Minimum Torah Study for Women

For women and minimum requirements for Torah study, see [Introduction to Torah Study](#).

### Women: Torah or Tehillim

If a woman can either study Torah or say Tehilim (*Psalms*; recited as prayers), the priority is for her to study any halachot that she needs to observe before saying Tehilim or other prayers.

**NOTE** However, for the purposes of prayer, saying Tehilim is more important than “saying” (or reading) other parts of Tanach.

### Women: Studying Talmud

Women are not prohibited from learning Talmud, but men should not teach them.

**NOTE** Since women are not required to study Talmud, they do not make a siyum if they complete studying any part.

### Women: Blessings over Torah

Women are required to say the blessings over the Torah (*birchot haTorah*) before studying Torah or before praying.
