WOMEN: WHAT TO STUDY

Minimum Torah Study for Women

For women and minimum requirements for *Torah* study, see Introduction to *Torah* Study.

Women: Torah or Tehillim

If a woman can either study *Torah* or say *Tehilim* (*Psalms*; recited as prayers), the priority is for her to study any *halachot* that she needs to observe before saying *Tehilim* or other prayers.

NOTE However, for the purposes of prayer, saying *Tehilim* is more important than "saying" (or reading) other parts of *Tanach*.

Women: Studying Talmud

Women are not prohibited from learning *Talmud*, but men should not teach them.

NOTE Since women are not required to study *Talmud*, they do not make a *siyum* if they complete studying any part.

Women: Blessings over Torah

Women are required to say the blessings over the *Torah* (*birchot haTorah*) before studying *Torah* or before praying.
