Yahrzeit: Candle: Day of Yahrzeit

Lighting a yahrzeit candle on the yahrzeit of a parent is a universal custom but not a halacha.

YAHRZEIT: CANDLE: HOW MANY CANDLES

Yahrzeit: Candle: How Many Candles: Yahrzeit and Yizkor

One candle is lit on the yahrzeit/anniversary of the date a parent died.

NOTE If both parents died on the same day, light two candles on the yahrzeit day (but only one on yizkor day).

Yahrzeit: Candle: How Many Candles: One per Household

For a deceased parent on a yahrzeit or yizkor day, only one candle needs to be lit in each home where any of a parent's children are at sunset of that evening.

EXAMPLES

- If two siblings (or more) are in the same residence on the night of the yahrzeit, just light one yahrzeit candle.
- If all siblings are in different homes, each sibling lights one yahrzeit candle.
